

# Ring Warming Ceremony

From this moment, \_\_\_\_\_ will start passing the couple's wedding rings around.

In this ring warming ceremony, \_\_\_\_\_ and \_\_\_\_\_ are wholeheartedly asking for your thoughts, blessings, and prayers. When the rings reach you, hold them close to your heart and silently imbue them with your wishes.

As \_\_\_\_\_ and \_\_\_\_\_ say their vows and exchange rings, they do so knowing that they have your love as the wind beneath their wings.
